

For Labors Working in Akita Do you have any trouble in your job?

For example,

You can consult the Akita Prefecture Labor Commission on any labor troubles!!

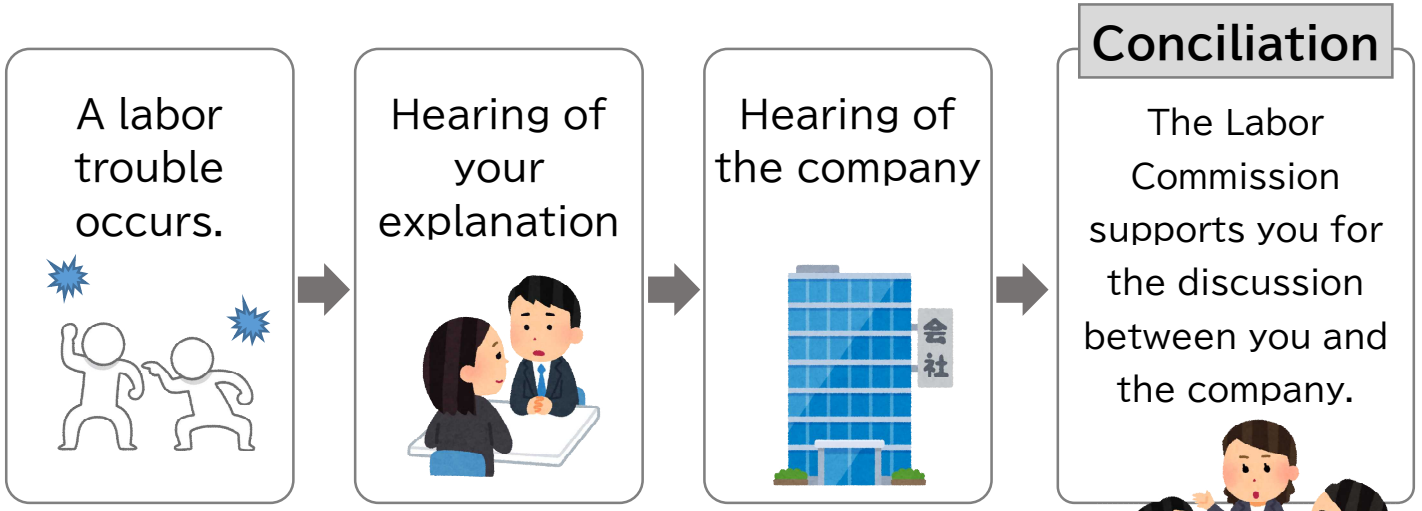

No consultation fees. We keep secrets.

The Akita Prefecture Labor Commission tries to solve troubles in support of the discussion between a labor and the company. This is the conciliation.

Any labors working in Akita Prefecture can consult.

Conciliation Procedure

- We can't have the conciliation if the company won't attend the discussion.
- The Conciliation can't solve all the troubles.
