Hello everyone. I went back to America last month. Thank you for helping me in Akita. I enjoyed staying there because everyone was so kind. At the beginning, it was difficult to talk with you in Japanese. However, soon I could understand you well because you spoke to me every day. Here in America, I started doing volunteer work. I help Japanese people who want to learn English. We usually talk in English. Sometimes I talk to them in Japanese. It is a lot of fun. Yesterday, we talked about our winter vacation. It was interesting because many people talked about different things. So I want to ask you a question. What did you do during your winter vacation?
